- Outdoor rated materials and molded polymer construction ensure years of use. Long life stainless steel hinges with separate door closure springs.
- Heavy-duty, easy-to-use rotary latch that is designed to withstand the roughest users, and easy to grip hover handle.
- Deep, ambidextrous door pull provides better grip and ultimate convenience.
- Re-engineered door frame which features double-wall construction.
- Multiple strapping recesses.
- 60-gallon waste tank which boasts a smooth interior and deep sump.
- Toilet seat and cover.
- Urinal.
- Three-roll toilet paper holder with included rod and padlock.
- Stainless steel locking brackets.
- Coat hook.
- Choose the Axxis-1 with a standard, low-profile roof or the Axxis-2 with the higher, Keystone roof.
- Modular, all-common wall construction makes for easy and inexpensive repairs.
- High molecular-weight material with extra UV protection ensures that your portable restrooms will continue to look new through years of work.
